

At Norbeck Montessori, we recognize that families have different needs for the summer. Therefore, we offer two different program options – Summer Camp and Montessori Instruction.

Summer Camp

Our camp offers families the flexibility to choose the weeks they need for camp. This summer, children ages 2-6 will enjoy exciting and engaging activities. We offer children 9 weeks of stimulating and enriching experiences in varying areas of interest. Each theme offers both indoor and outdoor activities to provide children with endless fun and exploration.

Weeks	Theme	Description
6/16-6/27	Oceans	Summer is heating up! Dive in and explore the deep blue sea. We'll explore and enjoy great ocean themed arts & crafts and yummy snacks! Norbeck will be closed on Thursday, June 19th.
6/30-7/4	USA	It's 4 th of July! What better way to celebrate America's Birthday than to have a barbeque! Throughout the week our campers will learn some history and create some Patriotic arts & crafts. Our Annual Barbeque will be on Thursday, July 3rd. We'll have hotdogs, chips, watermelon, and popsicles. Yum! Norbeck will be closed on Friday, July 4th.
7/7-7/18	Kid's Kitchen	Campers will put on their aprons and chef's hats and make some "No Cook Cooking" recipes. We'll also explore health and nutrition. At the close of the week, campers will come home with their own recipe book to share with their families.
7/21-7/25	Gardening	Let's get gardening! Your camper will learn science concepts and interact with nature through hands-on gardening activities. We've got arts & crafts to go along with our findings in the garden.
7/28-8/1	It's a Small World	Grab your passports and hop on a plane. We will explore the 7 continents, famous landmarks, holidays and celebrations, food, and language. We will end the week with an international food celebration.
8/4-8/8	Dinosaurs	Campers will travel back in time (65 million years to be exact) to learn about these fascinating creatures. We will learn the names of different dinosaurs, what they ate, and where they lived.
8/11-8/15	What a Mess!	Well, I'll Say, What a Mess! We will be ending summer with our messiest week of all. Children should come ready to get messy. This week's activities include play dough, whipped cream eating contest, shaving cream battles, mud pie making, and so much more! Norbeck will be closed Friday, August 15th for Professional day.

Montessori Instruction

(Children must be at least 3 years old and potty trained by 6/1/2025 to participate in this program.)

A Montessori summer gives you the unique opportunity to enroll your child in an educational program all summer long, with traditional-type camp fun incorporated throughout the day. Whether you're a current Norbeck family and you want to continue the academics all year long or you are new to Norbeck and want to see what Montessori has to offer, this is the program for you!

*Please note that Norbeck Montessori requires families to sign up for a minimum of 7 out of 9 weeks for both Summer Camp and Montessori Instruction.
