

At Norbeck Montessori, we recognize that families have different needs for the summer. Therefore, we offer two different program options – Summer Camp and Montessori Instruction.

Summer Camp

Our camp offers families the flexibility to choose the weeks they need for camp. This summer, children ages 2-6 will enjoy exciting and engaging activities. We offer children 10 weeks of stimulating and enriching experiences in varying areas of interest. Each theme offers both indoor and outdoor activities to provide children with endless fun and exploration.

Weeks	Theme	Description
6/15-6/19 6/22-6/26	Insects & Spiders	Let's Bug Out! Children will explore and learn all about insects and spiders! What defines an insect? What defines a spider? We will do projects as we explore the grounds of Norbeck looking for these fascinating creatures. Norbeck will be closed on Friday, June 19th.
6/29-7/3	USA	It's 4 th of July! What better way to celebrate America's Birthday than to have a barbeque! Throughout the week our campers will learn some history and create some Patriotic arts & crafts. Our Annual Barbeque will be on Thursday, July 2nd. We'll have hotdogs, chips, watermelon, and popsicles. Yum! Norbeck will be closed on Friday, July 3rd.
7/6-7/10	It's a Small World	Grab your passports and hop on a plane. We will explore the 7 continents, famous landmarks, holidays and celebrations, food, and language. We will celebrate each day tasting different international foods.
7/13-7/17 7/20-7/24	Space	Time to blast off! The children will explore all things outer space, the planets, the stars, and so much more. Be sure to buckle up, our arts & crafts are out of this world.
7/27-7/31	Kid's Kitchen	Campers will put on their aprons and chef's hats and make some "No Cook Cooking" recipes. We'll also explore health and nutrition. At the close of the week, campers will come home with their own recipe book to share with their families.
8/3-8/7 8/10-8/14	Rainforest	Always a favorite here at Norbeck! We will travel to this unknown ecosystem and learn all about the creatures that live in the rainforest, the layers of the rainforest, and important foods and medicines that come from the rainforest. This is always a fun theme for art projects and yummy foods!
8/17-8/21	What a Mess!	Well, I'll Say, What a Mess! We will be ending summer with our messiest week of all. Children should come ready to get messy. This week's activities include play dough, whipped cream eating contest, shaving cream battles, mud pie making, and so much more! The last day of camp is Thursday, August 20th. Norbeck will be closed Friday, August 21st for Professional day.

Montessori Instruction

(Children must be at least 3 years old and potty trained by 6/1/2026 to participate in this program.)

A Montessori summer gives you the unique opportunity to enroll your child in an educational program all summer long, with traditional-type camp fun incorporated throughout the day. Whether you're a current Norbeck family and you want to continue the academics all year long or you are new to Norbeck and want to see what Montessori has to offer, this is the program for you!

*Please note that Norbeck Montessori requires families to sign up for a minimum of 8 out of 10 weeks for both Summer Camp and Montessori Instruction.
